

**NO FARE HIKES!!  
NO SERVICE CUTS!!**

**Stand up for  
TRANSIT JUSTICE!**

MUNI managers want to raise fares to \$1.50, increase the price of Fast Passes and senior and disabled fares, AND cut services! This is a stiff new tax on San Francisco's working people, immigrants, students, seniors, and everyone who depends on public transit to get to school or work. But the Board of Supervisors can still stop the fare hikes and service cuts. Help us build a movement of bus riders to tell City Hall:

**SAN FRANCISCO  
WON'T PAY MORE FOR LESS!**
